

Dr. Dale Dewar, family physician in Wynard for nearly thirty years, is the recipient, along with her husband Bill Curry, of the SCIC Global Citizen Award for 2008. She has worked extensively with aboriginal peoples, is a board member and past president of Physicians for Global Survival, chair of the International Committee of the Society of Rural Physi-

cians of Canada and has been involved in medical education in Iraq, Pakistan and the southern Phillipines. She is active in ICAN, the International Campaign to Abolish Nuclear Weapons.
